2009 Extreme Mustang Makeover

Extreme Mustang Makeover Overview:

The mission of the Mustang Heritage Foundation is to increase the adoption of Mustangs to good homes. In keeping with the mission of the Foundation, the Extreme Mustang Makeover will occur during various events across the United States that attract thousands of horse enthusiasts and promote horse ownership. The goal of the event is to promote adoption through showcasing Mustangs' value and trainability through competition.

Wild Mustangs from Nevada will be brought to a designated Bureau of Land Management facility to be picked-up for the competition. The Mustangs will be as uniform in size and age as possible. Mustangs will be between 3-4 year of age with current vaccinations and hooves trimmed.

Approved horse trainers will pick-up their Mustangs at the designated BLM equine facility. Mustangs will be pre-assigned to the trainer by computer draw prior to pick-up so that appropriate health papers may be created for trainers' home states. Trainers must meet all requirements listed below for hauling and stabling their Mustang. Trainers will have from the day they picked-up their Mustang until the day they arrive at the event to train and work with their Mustang. During the event trainers will compete in three areas – conditioning, In-Hand and riding the “Horse Course” (trail riding with obstacles). A panel of three accomplished horsemen and/or horsewomen will determine winners.

The competing Mustangs will then be up for adoption through a live bid process on the final day of competition. In addition to prize money, trainers competing in the event will receive up to \$500 in reimbursement for reasonable training and veterinary expenses and 20% commission (over the \$200 adoption fee) on horses adopted for \$200 or more. Every effort will be made to promote participating trainers during the event.
